

Call for Special Session Proposals

Dear Esteemed Researcher,

IEEE International Conference on Smart Technologies for Smart Nations - IEEE SmartTechCon 2023 will be hosting a series of special sessions. Special sessions feature topics related to the Computer, Electrical and Electronics Engineering on the latest research related to the area of interest of the proposer of the special session. The goal of these special sessions is to provide a forum for focused discussions on the topics proposed in the special session. Special Session organizers will be honored with the certificate.

Each organized session may have a minimum of **6 (SIX)** or more papers that will be subject to the regular review cycle by the session organizer. The session organizer will have full authority in soliciting and accepting papers for the session. But final accepting and rejecting right lies with General Chair of the conference.

Norms

Special sessions will have their own tracks on the online submission system. Plagiarism rate of the accepted papers must be less than **20%** and papers must follow IEEE academic best practices regarding peer reviews and paper publication formats. Accepted and presented papers will become eligible to submit to the IEEE Digital Xplore.

Responsibility of the special session proposer (Special Session Chair)

1. Collect high-valued technical contributions by directly contacting the colleagues working in the proposed research field.
2. Remind authors to submit their papers directly to your session using the online submission process.
3. Review the papers as per the IEEE standards and get the review incorporated into the paper before submitting to submission system and registration.
4. Remind the author to register the papers in your session. Only registered paper will be scheduled in the program.

Format to submit the special session (Mail to : chair@smarttech-conference.org)

1. Title of the special session
2. Objective of the special session
3. Topics of the special session
4. Proposer full name and affiliation (Chair of the special session)

Benefits to the Special Session organizer :

- * Special Session organizers will be honored with a **CERTIFICATE**.
- * For every **SIX** fully registered and paid papers, **ONE additional paper** will be exempted from registration fee

All accepted and presented papers, including special session papers will become eligible for submission to the **IEEE Xplore Digital Library**.
