

# Second International Conference on Smart Technologies for Smart Nations

15-17 July 2021 | Universiti Putra Malaysia (UPM), Malaysia

IEEE

UPM  
UNIVERSITI PUTRA MALAYSIA  
BERILMU BERBAKTI

SmartTechCon2021

IEEE Technically sponsored

2nd International Conference On Smart Technologies For Smart Nation (SmartTechCon 2021)

IEEE Record No: #49641; Part Number: CFP21M14-ART; ISBN: 978-1-7281-6218-8

Conference Date : 15-17 July 2021

Venue: Universiti Putra Malaysia, Malaysia

<<< Apologies for cross-postings.>>>

<<<Please circulate among your colleagues, friends, peers, students, researchers and to the nearby universities and colleges >>>

## CALL FOR PAPERS and CALL FOR SPECIAL SESSIONS

Dear Researcher,

**Subject :** Call for papers [CFP] - Extended date of submission 16-March-2021  
Call for Special Sessions [CFSS] - Extended last date of submission 16-February -2021

2nd International Conference On Smart Technologies For Smart Nation (IEEE-SmartTechCon 2021) will be held at Universiti Putra Malaysia, Malaysia from 15-17 July 2021 a prestigious University in Malaysia.

**Universiti Putra Malaysia UPM**, a leading research university in Malaysia is located in Serdang, next to Malaysia's administrative capital city; Putrajaya. As a world renowned centre of learning and research, UPM has attracted students and staff from all around the world making it a well-respected global entity.

**Objective** of the conference is to provide a common platform to researchers from all the fields of Engineering to exchange their views and ideas to develop smart technologies for the future.

### Call for papers:

Original contributions based on the results of research and developments are solicited in the following **major topics** .

- Power, Energy and Power Electronics
- Signal and Image Processing (SIP)
- Computational Intelligence (CI)
- Communication Systems (CS)
- Computing Technologies (CT)
- Devices, Materials and Processing (DMP)
- \* Data Base
- Software Engineering
- Data Communication and Networking
- Biomedical Engineering (BE)
- Emerging Technologies (ET)
- Internet of Things IoT
- Transportation Technologies (TT)

**Any other topic relevant to conference theme in the filed of Computing, Information, Electrical and Electronics will be considered.**

### Call for Special Sessions:

SmartTechCon will be hosting a series of special sessions. Each organized session will be with a minimum of **EIGHT** papers that will be subject to regular review cycle by the session organizer. The session organizer will have full authority in soliciting and accepting papers for the session. But, final accepting and rejecting right lies with the General Chair of the conference.

### Format to submit the Special session:

Submit the special session proposals in the following format to: [chair@smarttech-conference.org](mailto:chair@smarttech-conference.org)

- Title of the Special Session
- Objective of the Special Session
- Topics of the Special Session
- Name and affiliation of the proposer (Chair)

**Special Session Organizer will be Honored with CERTIFICATE as proposer.**

**All accepted and presented papers including special session papers will become eligible for submission to the IEEE Xplore Digital Library.**

Thanking you.

With Regards,

General Chair(s)  
IEEE – SmartTechCon –2021
